Dear Class of 2011,

In the words of Ralph Waldo Emerson, "Do not follow where the path may lead. Go, instead, where there is no path and leave a trail." As you leave the path of your education at D-R, take advantage of every opportunity that comes your way, and blaze new trails!

Best wishes always,
Dr. Montagano
Superintendent of Schools

"No pessimist ever discovered the secret of the stars or sailed an uncharted land, or opened a new doorway for the human spirit".
-Helen Keller, U.S. blind & deaf educator (1880 - 1968)

Dear Class of 2011,

Congratulations to you, your families, and all of your many friends and supporters!

The graduation certificate you have attained from Dighton-Rehoboth Regional High School is absolutely essential to begin your next step beyond high school. However, this diploma also reflects our certainty that you will reach your next, greater, level of achievement. Whether that is at a university, the workplace, or in a military setting, we are certain that you have all the many necessary ingredients to accomplish your goals.

You are well prepared for any future challenge. Believe in yourself; accept obstacles in the road as opportunities for learning. May you realize all of your hopes and never mislay your dreams.

It has been a pleasure to serve as your principal. I wish each and every one of you the best the world can possibly offer. Work hard, take care of others as well as yourself. Go out and discover "the secrets of the stars" and the "uncharted land" that lies ahead.

Sincerely,
Ms. Van Buren
Principal

Class of 2011:

Congratulations on everything that you have achieved. As you move forward into the larger world, think about ways that you can make a difference, and "Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has" - Margaret Mead

Dr. Jennifer Wordell
Assistant Superintendent

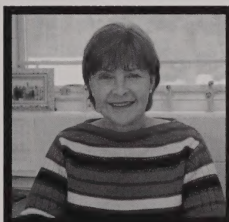

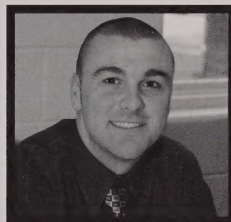

To the Class of 2011:

It has been a great pleasure to watch you learn, grow, mature, excel, and develop over these past four years. I trust that as you make your way into the world beyond the walls of Dighton-Rehoboth, you will live your lives by measures of integrity, honesty, character and responsibility. Should you follow the basic hallmarks and tenets of those traits, you will guarantee a life reflecting credit upon your communities, your families, and yourselves. Best of luck in all your future endeavors - remember that if you need us, we are always just an inbox away!

Mr. Rubin
Assistant Principal

It has been a great four years, first having many of you in homeroom and then more of you in the classroom, and lastly, I am honored to be an administrator of this graduating class. I have witnessed your growth throughout your four years at Dighton Rehoboth Regional High School, and I truly wish you all the best of luck. I look forward to hearing of your endeavors and successes, as you grow into mature adults. My personal attachment to this class, since we all began our time at DR together, four years ago, makes me even more anxious of future days when I will, no doubt, be hearing of your successful endeavors as you become positive contributors to this community or that of wherever your dreams may take you. Best of luck, class of 2011. Continue to make us proud.

Mr. Braga
Assistant Principal

To the class of 2011:

I am sure that it is hard to believe that four years have gone by so quickly. It seems like it was yesterday when you entered D-R as a freshman. Always keep in mind that "It is good to have an end journey towards; but it is the journey that matters in the end." - Ursula K. LeGuin

Take advantage of all of what life has to offer! Congratulations and best of luck!!

With Thanks and Best Wishes

The Class of 2011 would like to thank Mr. Cuthbertson for his dedication to Dighton-Rehoboth Regional High School. Your positive influence over the years will always be remembered in the hearts of your students and fellow colleagues. You will be missed and we wish you a wonderful, well-deserved retirement!

It has been an honor and a privilege to teach and coach the students of Dighton-Rehoboth for the past thirty-three years! As a young teacher, I had the good fortune to have several master teachers as mentors. From them I learned, first hand, the work ethic and dedication necessary to create an interesting, meaningful classroom as well as the importance of connecting with students of differing abilities.

As I reflect on my experience at Dighton-Rehoboth, I focus on the relationships that I have enjoyed with my colleagues, my students, and my players. Nothing gives me more pleasure than to visit with, hear from, and, in some cases, teach and coach with former

students and players. It is also an interesting dynamic to have the children of former students in my classroom and on my teams!

Dighton-Rehoboth is a great school that puts the best interests of its students first. I am proud to have been a part of that legacy, and I cherish the memories that I take with me. As a young person, I was fortunate to have outstanding teachers who influenced and inspired me. I hope that I have been successful in impacting my students in a positive manner. The Italian physician and educator, Maria Montessori said it well: "The greatest sign of success for a teacher...is to be able to say, "The children are now working as if I did not exist." I hope to stay connected to D-R as a coach, but wherever the next chapter in my journey takes me, I will always be a falcon at heart!

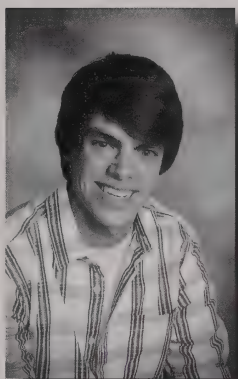

Best wishes to the class of 2011!

Coach C.

FOOTBALL

The 2010 Falcon Football Team came together quickly and finished the season as Co-Champions of the SCC. Having lost many starters to graduation, a combination of previous untested seniors and the younger players meshed nicely to finish with an outstanding 9-3 record. Captains

Ryan Bettencourt, Nick Costa, and Mark Wetherell, led the team to shutout wins over Wareham, Fairhaven, and Old Rochester. Thrilling come-from-behind victories orchestrated by quarterback John Kyle Silva against Apponequet and Bourne made for a memorable season. In addition to the Captains, Bryan Rocha, Adam Benvie and Justin Galego were also named All-SCC players

BOYS' CROSS COUNTRY

The boys' team got stronger all season long and just missed qualifying for the all-state championship meet by one spot, placing 5th of 35 teams in Eastern Massachusetts. Jake Medeiros and Colin Hoye were strong senior captains for the boys and were named SCC all stars in a conference with four state ranked teams. Colin and Jake combined with Mason Saleeba, Ty Enos and Erick Thompson to win medalist honors at the McIntyre Cross Country Invitational Meet. Colin's time of 16:48 for 3.1 miles in Wrentham was our season best and the team finished the season ranked 15th of approximately 150 small schools in Massachusetts.

The girls' team suffered through a major injury and small participation but did improve as the season progressed. Morgan Zabinski was the top Falcon all season long, clocking an impressive time of 20:19 for 3 miles to win the Wareham/Voch Tech dual meet. Captain Michaela Pereira injured her ankle while jogging on her first training run of the season and remarkably was able to run in the last three meets. The SCC conference meet was the girls' best performance as we beat 4 teams and all five runners finished in under 8 minutes per mile.

The golf team had a very successful season in 2010, sharing the South Coast Conference championship with Bourne, winning the SCC Championship meet and qualifying for the state tournament for the 18th consecutive year. The team was led by captains Conner Amaral and Tyler Gay. Amaral and junior James Peagram were named All-SCC, while Gay and junior Shane Gousie were named honorable mention all-stars. Junior Ben Remsbecker won the individual title at the SCC Championship meet with a season low round of 73 at Bay Pointe Country Club.

The Girls' Varsity Field Hockey Team ended the season with a 6-2-6 record, earning a tie for second place in the SCC. D-R was the only team in the SCC to defeat Old Rochester during the regular season. They also defeated Somerset, a Division I team, which is the first time D-R has achieved this in many years.

The 2010-11 boys' basketball season was noteworthy because the Falcons captured DR's second boys' basketball title in the 26 year history of the South Coast Conference and its first since 2003-04. The Falcons earned a number of close, come-from-behind victories in a league characterized by its parity. Some of the highlights include three victories

over Bourne by a total of five points, a win over defending state champion Wareham, and a win over Division I North powerhouse, Lawrence, in the Mansfield Tourney. The Falcons were led by All-CCC selections senior captain Austin Fiero (15 ppg), junior Dylan Barbosa (13.7 ppg, 8.4 rpg), and sophomore Ryan Walsh (16 ppg). Senior captains Kam Montanino and Jeff Wooten received honorable mention.

5 Wins, 15 Losses

The girls' basketball team finished 5-15 this season. Led by the captains Alex Martin and Miranda Garcia, the team showed significant improvement over the season. The season was highlighted by wins over Seekonk, Case and Apponequet. Individual accomplishments included a 20 point game for Miranda Garcia and two 20 point games for Emma Klinkhamen. The team will look to continue its improvement next season with 9 returning players for the 2011-2012 season.

The D-R girls' spring track team concluded another successful season in 2011, taking second place in the SCC. Along with the boys, the Class of 2011 graduates as the winningest class in school history, compiling an incredible 66-4 record in four years! Captains Lia Delaney, a conference triple jump champion, Amanda Louro, Kella Woodard, and Hayley Stebbings led the selfless team characterized by incredible depth, a team-first attitude, and a drive to work hard above all else. The graduating seniors, including Emily Pereira, Nicole Lynch, Jackie Hayes, Megan Sweeney and Shannon Murphy will all be missed for their spirit and energy. Season highlights included a convincing win over Seekonk, as the Falcons became the first class to sweep their archrivals over four years, and a top five finish for the javelin relay at the state level for the fourth consecutive year. The team also captured the SCC Relays Championship and took second at the conference championship meet, scoring 100 or more points for the 4th straight year. Though the team will miss the Class of 2011 greatly, the foundation for a strong future will ensure the Falcon tradition of success in track and field continues after their careers.

the thirteenth time in the last seventeen years, the 2011 edition of the Falcons earned a C baseball title! The team earned the championship in a highly competitive league that featured four sectional semi-finalists in last year's state tourney with a 12-4 SCC record and an impressive 16-6 overall mark. All SCC selections junior shortstop Evan Mondor (.1, 5 HR, 22 RBI), junior third baseman Adam Benvie (.314, 3 HR, 18 RBI), junior catcher Evan Rocha (.271, 1 HR, 10 RBI), and sophomore pitcher Brandon Shileikis (73, 2.23, 73 K, 3, .344, 1 HR, 17 RBI) anchored the team along with Honorable Mention selections senior outfielder / pitcher John-Kyle Silva (.318, 1 HR, 9 RBI) and senior centerfielder Ryan Betancourt (.389, 1 HR, 16 RBI) and Sportsmanship Award Winner senior second baseman Tyler Gay (.375, 12 RBI). Season highlights include memorable wins against co-champion Apponequet, defending champion New Bedford Vocational, and EAC champion Somerset. One of the most remarkable innings in DR baseball history, the Falcons scored 15 runs in the first inning against Old Rochester after two outs and nobody on base! Additionally, one of the greatest pitching performances in DR baseball history, sophomore Brandon Shileikis pitched a 1-0 perfect game against Wareham striking out 14 while retiring all 21 batters!

Months later, the feelings of graduation -- excitement, sorrow, relief, -- still enthrall each one of us. Like every graduation message, this will be a reflection of what, and how, our class did during our years here at Dighton-Rehoboth; sorry to be cliché.

A group of naive freshmen came into this school in 2007 and left four years later, which felt like four days later, as leaders, role models and adults, but we didn't leave as individuals. We left, and succeeded as one group; one entity; one family. Babe Ruth -- yes the man that reeked havoc on the Red Sox for 86 years -- said it best:

"The way a team plays as a whole determines its success. You may have the greatest bunch of individual stars in the world, but if they don't play together, the club won't be worth a dime."

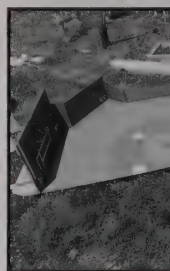

Our class is worth a lot more than a dime, and due to inflation that dime from the early 1900s is probably 100x more now. Jokes aside, there is no price on family.

It's hard to depict our class, or any class for that matter, as a family, but in reality we are. Families have their ups and downs, like our showings at Spirit Week, those members who cannot be tolerated, those who are the most loved, those jocks, nerds, clowns, wise guys, etc, but they are still a family. Where would we be now without those we spent four, or more, years with?

We came in as baby falcons in this nest and left as steadfast, fortified falcons, and we are all ready to fly away to create our own path, using the tools our parent falcons -- teachers, coaches and parents -- gave us. Liberty, victory and freedom is what the falcon symbolizes; we, our Class of 2011 family, earned all of those after one flip of a tassel on June 5, 2011.

Those Facebook statuses from various sport teams said this year, "It's a great day to be a Falcon." It's not great to be a Falcon for one day, but for eternity -- yesterday, today and tomorrow.

Being in yearbook was definitely a great experience seeing how everyone has grown and changed. We looked back and noticed how we ourselves have changed as we looked at our freshman year spirit week. Even to our out of school experiences that we all have and how they alone have changed us. High school has been told to us, that is was the "Best years of our lives." Now do I see what that truly means. We will always remember hanging with our friends, at parties and having a great time at all of the dances.

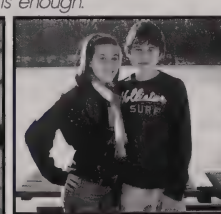

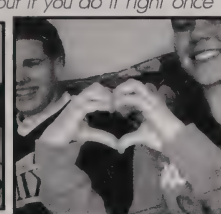

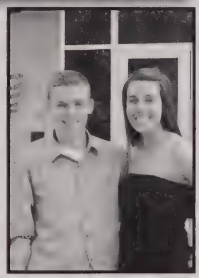

in the sporting events, had went at the edge of our seats. We truly are seniors at heart and will always be. We have grown and become a family and this yearbook demonstrates that. During a part of your we have been given a great responsibility including capturing the moments that we will remember as our senior year. We have worked hard on this yearbook as it was only a fan of us. Yet we want to capture the moments that most of us will never forget including the Talent Show, Student Vs. Faculty Game, Spirit Week, and Graduation. So we here in the yearbook office, which many of you may not have even noticed as you walked by, have been working endlessly on this yearbook to be given as a token of gratitude to the class of 2011, and as a last word of advice from me personally. Never be afraid to try something new, the world doesn't end at the borders of New England. Go out there and explore. I had been given a great opportunity to travel the world when I was younger and changed my life along with the lives of my family. So be sure to try something new and never stop exploring as you will find some great "treasures" out on this planet that we call home.

Asbley Silvia Assistant Editor

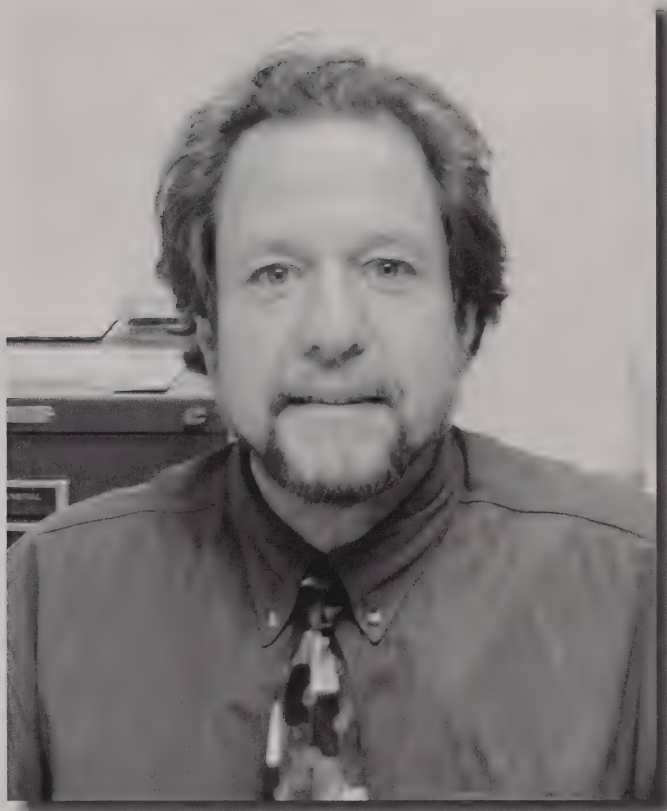

Well guys, its been a long four years but we made it. We never thought of the day when we would hear our last warning bell to get to class or DR news for the last time. Let alone we never thought the day would come when we put on our cap and gown, receive our diploma and turn our tassels but it did. The days came and passed of our first and last homecoming dance and the days of rushing to get to school for seven-seventeen are over. In the end I am proud to say I am graduating with a class of students who I know will go far in life. We are entering the real world now, somewhere that to many of us is not completely planned out yet, but in the end will be bright. All I ask is that you keep your head high no matter what situations arise, and things will always get better. There will always be someone there that tries to bring you down, but prove them wrong. Remember to be kind, for everyone you meet is fighting a hard battle. From the friendships lost to the friendships gained here at Dighton-Rehoboth to the memories we will never forget. High school is one of the greatest moments of our lives so cherish the memories you have made during your time at DR, and hopefully they will bring a smile to your face for years to come. We all take different paths in life, but no matter where we go, we take a little bit of each other everywhere. This is it though, one page of our lives has been finished but yet another is just starting to be written. I wish the best of luck to everyone in the class of 2011, and hope your wildest dreams do come true, and remember you only live life once but if you do it right once is enough.

In Loving Memory

Laurent J. Dulac

February 11, 1950 - June 8, 2011

After a five year battle with cancer Mr. Dulac died Wednesday June 8, 2011. All of us at Dighton-Rehoboth will remember him for his kindness, his interest in his students' and peers' lives, his willingness to listen, and his thoughtful approach to solving problems. He was indeed a gentleman who provided inspiration and compassion to everyone up until his final days of work here at Dighton-Rehoboth. Without question, he will be greatly missed by students, co-workers, family and friends.
